

SINGLE BARREL
LIQUOR & BAR

BAR CATERING SERVICE PACKAGES

AT GALLATIN COUNTY FAIRGROUNDS

Single Barrel holds a State of Montana All Beverage Liquor License, and we provide all necessary permits and full liquor liability insurance that most venues now require. We have an established brick and mortar location in Bozeman, MT, so if you ever have questions, leading up to or after your event, you know exactly where to find us. We're able to provide bar services including full liquor, beer, wine, and cocktail bar setups for fully hosted, partially hosted, or cash/credit bars up to 100 mile radius of our location.

When planning your event please keep in mind:

- We need at least 30 days notice prior to your event to book services
- We do not offer revenue sharing from bar sales
- We are not allowed to cater events in the Haynes Pavilion or baseball fields

For each event there is a \$250 Catering Fee per bar set up which covers insurance, permits, staffing, and bar set up & take down. There is a \$1,000 bar sales minimum for each event. If the minimum is not reached, the difference in sales will be invoiced to the hosting party.

BEER, WINE & BUBBLES

Choose from a selection of beer, wine & bubbles. Price per drink will be determined based on selection and availability. Includes 1 signature cocktail.

FULL LIQUOR

Choose from a selection of beer, wine & bubbles + full liquor. Includes single mixer cocktails and 2 signature cocktails.

HELP ME DECIDE

If you're not sure which package you'd like, or would simply like our experienced team to make your drink selections for you, we can.

ELEVATED BAR EXPERIENCE

Ask us about our elevated bar experiences including airstreams, lounges, yard games, premium spirit themed bars, cigars, pop-up tents & more. Additional fees apply.

Inquire about services at www.singlebarrelbozeman.com/catering

An 20% auto gratuity will be applied to all **hosted events** with an option to add additional gratuity upon payment. A 3% credit card fee will be added for invoices paid by credit card.
